Astronomy

- 70 Ask an Astronomer
- 50 Celestron
- 42 Exoplanets
- 22 Grace from Outer Space
- 20 Make a Comet
- 21 Pocket Solar System
- 51 Rockets
- 45 Scale Model Solar System
- 43 SOFIA: The Flying Observatory
- 40 Stars and Stellar Evolution
- 53 Solar Telescopes
- 30 Thirty Meter Telescope
- 41 UCLA Galactic Center Group
- 52 VERITAS/VHE Astroparticle Physics

Atmospheric & Oceanic Sciences

- 74 Tornadoes in a Bottle
- 74 Can Crushing
- 74 Cloud in a Bottle
- 74 Marshmallows in Space
- 74 Carbon Dioxide and Plants

Biology

- 35 Brains!
- 56 EcoEvoNauts: Explore the Tree of Life
- 34 How to Read an Animal Skull
- 44 Origin of Life and Consciousness
- 36 Our Evolving Brain
- 39 The Science of How We Taste
- 55 Tide Pools and DNA Extraction
- 47 UCLA Emergency Medical Services
- 54 UCLA La Kretz Center for California Conservation Science

Chemistry & Biochemistry

- 48 Alpha Chi Sigma's Magic Show
- 71 Chemistry... From the Lab to the Home
- 46 Mayhem of Molecules
- 33 Silly Putty (SACNAS)

Earth, Planetary, and Space Sciences

- 26 Building a Planet
- 62 Dawn: Exploring New Worlds
- 66 Dinosaurs and Fossils
- 60 Diviner
- 60 ELFIN Cubesat: Student-Built Space Weather Mission
- 60 Forecasting Killer Electrons in Earth's Radiation Belts
- 64 Meteorites: Rocks from Space!
- 63 Mineral Collection
- 65 Models from the MEDL-CMC
- 60 The Planeterrella: Space Weather in a Jar
- 61 Rock Room
- 72 Spinlab: Tornadoes in a Tank
- 73 Weather on Other Worlds
- 65 What is a Sunspot?

Engineering

- 80 Civil Engineering at a Glance

Mathematics

- 37 Math!

Physics

- 23 Angular Momentum
- 32 Battery School
- 10 Dark Room Demos
- 11 Electricity & Magnetism Demos
- 12 Light Modulated Sound & Optical Illusions
- 31 Magic and Mystery of Light
- 12 Optics & Light
- 49 The Rocket Project at UCLA
- 24 Sound and Waves

Psychology

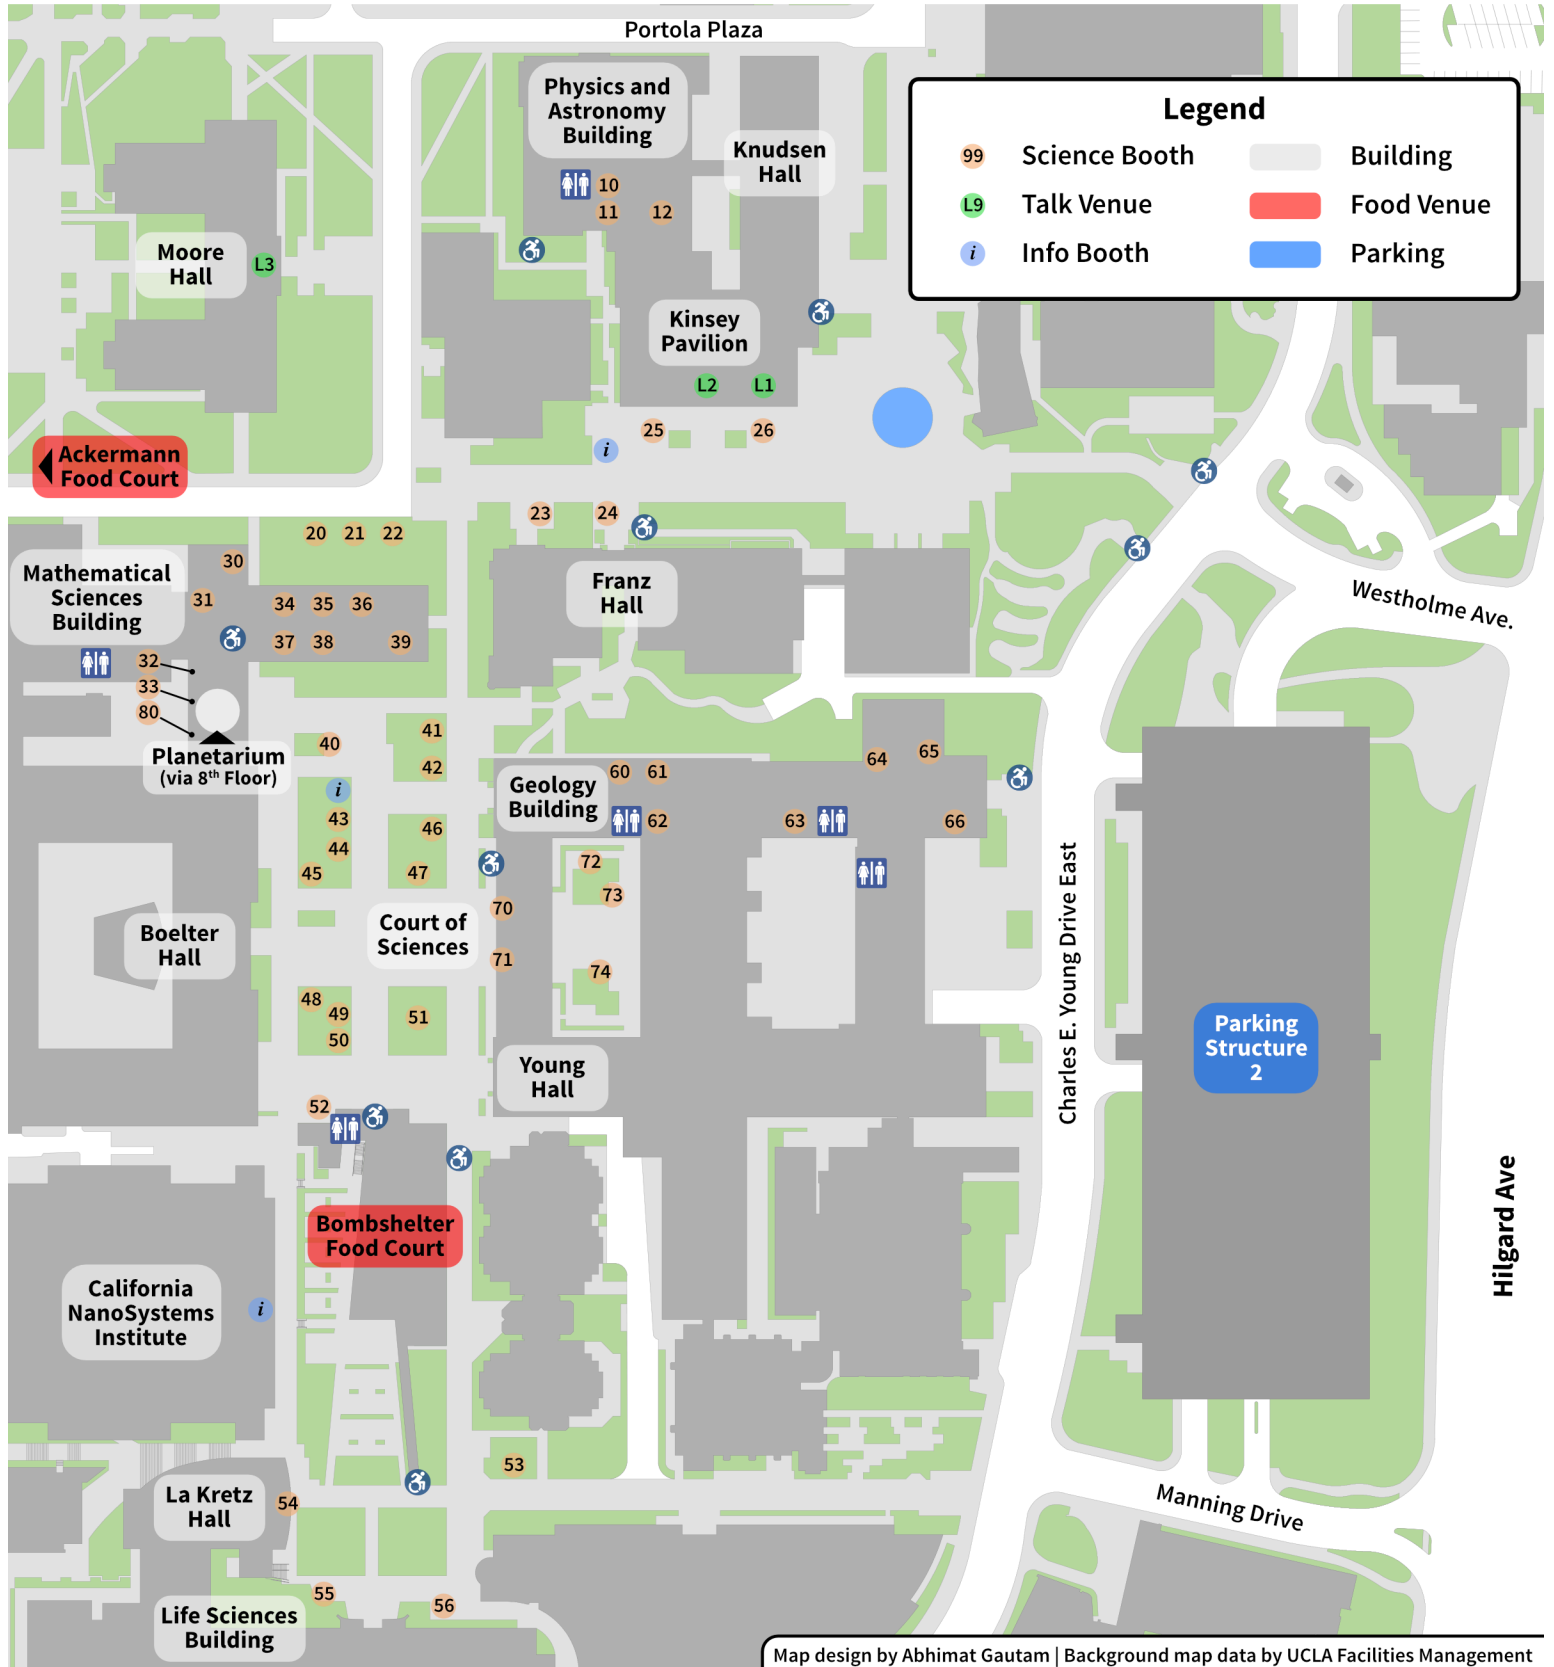

- 38 Psychology and the Brain

Others

- 25 Inspire Charter Schools

Evening Lecture

THE **FINAL
FACTOR**

Putting climate change and other human
conundrums in a cosmic perspective

a public talk by

Professor Adam Frank

University of Rochester

5:30 pm
Moore Hall 100

Prize Drawing

The Prize Drawing will take place at **5 pm** at the **Moore Lawn** (in front of Moore Hall entrance). Tickets are available at the **Info/Merchandise Booth in the Court of Sciences**.

Prizes include telescopes and microscopes from Celestron!

Planetarium

The UCLA Planetarium will hold shows
every half hour, from 12:30 pm – 8:00 pm.

The planetarium shows require tickets.
Tickets are **free** and can be picked up at
the info booth in the Court of Sciences.

The planetarium is located on the **8th floor
of the Math Sciences Building.**

Elegant Minds Lab Tours

Elegant Minds will lead lab tours
showcasing how *C. Elegans* is studied.

Tours meet at **Knudsen Hall 4-173.**
Tours start at **12, 1, 3, and 4 PM.**

Nighttime Activities

Nighttime Activities will be held on the
9th floor of the Math Sciences Building,
from 5 – 8 pm. Activities include:
